Detox

is one of Estetica Vibrazionale's cosmetics based on **super coherent water**¹ and top quality active elements.

Action

Thanks to an innovative technology the water forming this extraordinary product has been made super coherent in order to increase to the nth power the active principles in it dissolved.

Detox formulated with an innovative combination of minerals (among which zeolite) it greatly helps in absorbing and reducing oxidants. It carries on a detoxifying action thanks to the improvement of skin's homeostasis which activates all physiologic depurative processes. Detox is effective for tensions and swellings' treatment of all the different parts of the body: belly, limbs, face.... By helping to eliminate the accumulated toxins it helps to recover the radiance of the skin and the tone of the shape, free from swellings and accumulations, bestowing a feeling of lightness thanks to NOT pharmacological physical actions.

It is also excellent in healing nails' imperfections due to fungus and mycosis.

Active Elements

Water: it is the leading element in EV's cosmetics. The super coherence of its structure allows to greatly increase the Vibrational Cosmetic's energetic and functional power, assuring the best results. Being so specifically treated, this Water also enhances the effects of the active elements it carries.

Vitis Vinifera grape extracted from grape leaves. It has anti-inflammatory and angio-protector action (performing at microcirculatory level thanks to anthocyanosides' action). It helps capillary permeability reduction and increases their strength. It is appreciated for its astringent, antispasmodic, decongesting of the pelvic area, nourishing, emollient and lubricating actions.

¹ Quantum electrodynamics (QED) brings forward a very interesting prospect. Water in living creatures, when in contact with biological matter, gets structured in an organized and coherent way. The greater is the coherence of the structure the best is the energy processing in cellular structures. Super coherence is the exaltation of this oxygen conveyance, which, so organized, allows to elaborate a better cells energetic quality.

Cetraria island: Island moss is mainly known for its emollient quality as its mucilage protects inflamed or irritated mucosa thanks to usnic acid presence. This gives also antibiotic properties.

Melaleuca essential oil: or tea tree, has universal properties and is used in many areas including that of skin's health: it is an antibacterial which counter acne, spots and greasy skin and it also is a valid antibiotic, antiseptic.

Zeolite: is a mineral obtained from incandescent lava and brackish water which, thanks to its structure made of minutes microporous parts, is able to absorb, during its passage through the digestive transit, polluting substances such as heavy metals, chemical substances deriving from food and medicines, viruses, bacteria, fungus, including fermentative toxins deriving from a wrong diet, from imbalanced intestinal flora and from an excessive body acidity. Zeolite contains nearly all the periodic table's elements, therefore, above expelling toxins, it is able to reintegrate essential elements for the human body by an intelligent ionic exchange through which it gives the body what it lacks and takes away what is in a surplus, so bringing many significant benefits.

Cabbage Rose aromatic distilled flower water: Rose has uncountable qualities among which that to have astringent, antiseptic and purifying effects, moreover it has always been appreciated for being very refreshing.

How to use

Nebulize Detox directly on the interested clean skin areas twice a day. In case of deep affections it may be helpful to intensify applications. Effects are visible since the very first few applications. Regular and rhythmic use reinforces the results achieved and prevents skin degenerative processes.
