## Energy Activator

is one of EsteticaVibrazionale's cosmetics based on **super coherent water**<sup>1</sup> and top quality active elements.

### Action

Thanks to an innovative technology the water forming this extraordinary product has been made super coherent in order to increase to the nth power the active principles in it dissolved.

**Energy Activator** instantly restores skin's radiance and suppleness. In addition it will have a visible progressive relieving and decongestant action on blotches and other skin's alterations. Excellent also to moisturize body's skin, it is particularly effective on legs desquamation.

### Active Elements

**Water:** it is the leading element in EV's cosmetics. The super coherence of its structure allows to greatly increase the Vibrational Cosmetic's energetic and functional power, assuring the best results. Being so specifically treated, this Water also enhances the effects of the active elements it carries.

**Coenzyme Q10:** is an organic molecule, available in cells, that helps, in presence of oxygen, ATP production and is able, therefore to supply great energy. It fights against aging signs caused by free radicals due to pollution, intense sport activity, sun exposure, smoke, etc.

**Galactomannan Water Solution,** obtained from carob seeds' flower and purified, has a highly moisturizing and softening action; it forms a light film on the skin protecting it and bestowing suppleness. It moisturizes the stratum corneum even in dry situations such as sunbathing.

**Moisturizing Sugary Factor** is an excellent regulator of skin hydration made of carbohydrates that can be found in nature and which structure is very similar to that of human stratum corneum.

<sup>1</sup>Quantum electrodynamics (QED) brings forward a very interesting prospect. Water in living creatures, when in contact with biological matter, gets structured in an organized and coherent way. The greater is the coherence of the structure the best is the energy processing in cellular structures. Super coherence is the exaltation of this oxygen conveyance, which, so organized, allows to elaborate a better cells energetic quality.
