Remove

is one of Estetica Vibrazionale's cosmetics based on **super coherent water**¹ and top quality active elements.

Action

It is a micellar water that effectively removes facial skin impurities and eye make-up.

It is suitable for all skin types since it has balancing properties.

It is perfect for acne and overactive skin.

Remove The product's effectiveness is clearly visible since the first skin application because it restores ideal balance to the skin. Its continuous use allows to maintain the results achieved and has a preventive action on the skin's degeneration process.

Active Elements

Water: it is the leading element in EV's cosmetics. The super coherence of its structure allows to greatly increase the Vibrational Cosmetic's energetic and functional power, assuring the best results. Being so specifically treated, this Water also enhances the effects of the active elements it carries.

Chamomile (extract) It is obtained from the flower heads of the chamomile recutita and it is rich in flavonoids which provide with the marked soothing, decongestant and weight loss properties of the extract. It stimulates the microcirculation and the activity of the fibroblasts with the promotion of collagen synthesis, elastic fibers and hyaluronic acid, thus facilitating the repair of the epidermis and the dermis.

¹Quantum electrodynamics (QED) brings forward a very interesting prospect. Water in living creatures, when in contact with biological matter, gets structured in an organized and coherent way. The greater is the coherence of the structure the best is the energy processing in cellular structures. Super coherence is the exaltation of this oxygen conveyance, which, so organized, allows to elaborate a better cells energetic quality.

Lavandula Angustifolia (essential oil) The lavender essential oil has calming, sedative, anti-inflammatory, antiseptic, healing and analgesic properties. It is ideal for treating acne, boils, sunburn, insect bites, and wounds.

Silvestris mallow (Leaves extract) the mallow is a plant rich in mucilage. It has moisturizing, emollient and weight loss properties.

How to use

Place Remove on a cotton pad and apply to face, neck, and upper chest areas.
